Let's read
together!

Alphaboat, when was the last time anyone cleaned your deck?

Hmm...the last time? Let me remember...It was my best friend Rumpel.

Rumpelstiltskin? He was your best friend? What happened? Why aren't you friends now?

It's so sad. I don't know. And he took the letters from my name.

We need to get the answers!
Why is Rumpel so angry with
Alphaboat? And we need to
find the letters.

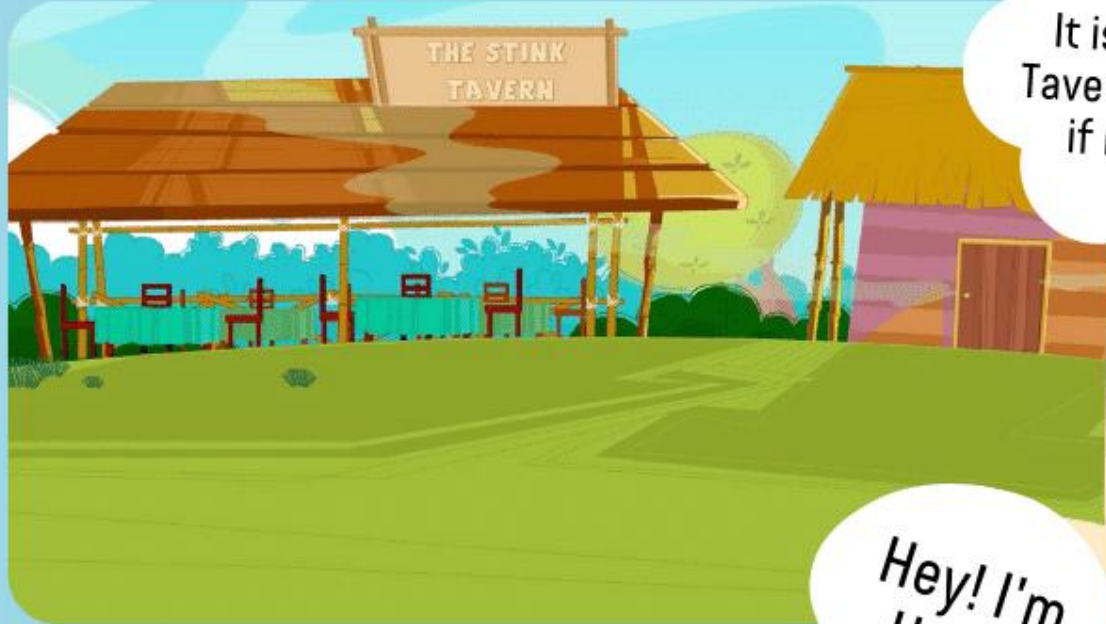

What is that
smell?

Alphaboat will never get all the
letters! Enjoy your time here! The
food here stinks!

It stinks. But I
like it!

It is The Stink Tavern. Let's see if it's open.

Hey! I'm Hunk!

And I am Zunk!

They all believe R.S. - the restaurant critic. Everyone follows his food blog.

He wrote how bad and unhealthy our food was. But that is a lie! We use only organic ingredients.

Mmm... We want to try your food!

Yum!

It's so tasty!

We will change the name of your restaurant from Stink to Stank.

Oh no! He is coming to our restaurant again!

It's good! We have a plan! This time he will write the truth.

We will film you cooking.

We will film R.S. eating your food and saying how tasty it is. Then we will post the videos.

Let's try your food.

It's so stinky and so tasty! I love it!

Did you film that? That's what we need.

Yes! Let's post it on the Internet! So everyone watches it!

Oh no! Who did it?!

YOU?

YOU?

Now everyone knows the truth!

And here is the missing letter for Alphaboat!

Hurray! We did it!

Thank you so much!

We have a party today! You should come!
