# LET'S SING TOGETHER!

Time stands still, can't explain what I feel  
If this is really real, nothing's ever gonna be the same  
(Oh-oh, oh-oh-oh-oh, oh-oh-oh-oh, oh-oh)  
I get to say goodbye to the struggle in life  
Say hello to the sky, spread my wings and fly away  
(Oh-oh, oh-oh-oh-oh, oh-oh-oh-oh, oh-oh)

Even though life's been knocking me down  
I had to figure it out, see my way through the doubt  
And when it seems I'm lost tryin' to find my way  
What I got in my hands could be the spark  
Turns it all around, could this be happening now?  
'Cause all my life I waited for this day

Tell me what do you do when everyone's counting on you?  
The decisions you make, the give and the take  
The promises kept, and the ones that you break are the hardest to  
take

But who will always be standing by you  
No, I won't give up, I won't give in  
'Cause the day that you run might be the day that you win

Even when life's knocking you down  
You always figure it out, see your way through the doubt  
And when I'm lost you help me find my way  
What you got in your hands could be the spark  
Turns it all around, this is happening now  
'Cause all my life I knew we'd see this day  
I knew we'd see this day  
I knew we both would see this day

# FOUR OPINIONS, ONE DISCUSSION. LET'S GO!

**M** Mariam

I absolutely loved Jingle Jangle! It was such a heartwarming movie with an amazing cast. I especially loved the musical numbers, they were so catchy and well-done." My family and I make it a tradition to watch Christmas movies every holiday season and this one will definitely be added to our list.

**T** Tom

Honestly, I didn't really enjoy Jingle Jangle. I found it too cheesy and predictable. I prefer more traditional Christmas movies with a classic storyline." I watched it with my friends and we all agreed that it wasn't our cup of tea.

**E** Emily

I'm not sure how I feel about Jingle Jangle. On one hand, the songs were great and the special effects were impressive. But on the other hand, the plot felt a bit scattered and some parts were a bit slow." I think I need to watch it again to fully decide if I liked it or not.

**J** Jack

Jingle Jangle was an emotional rollercoaster for me. I cried during the final musical number because it reminded me of how much my own family means to me." The message of forgiveness and redemption really hit home for me. Definitely recommend it to anyone who loves a good holiday movie.
