READING

I watched The Christmas Chronicles on Netflix last night, and I really enjoyed it. It's a fun family film for the holiday season.

The story is about a brother and sister, Kate and Teddy Pierce. Their dad has died, and they are not looking forward to Christmas. On Christmas Eve, when their mum is at work, they see Santa Claus in their living room. They hide in his sleigh, and he doesn't know. Then they fall out of the sleigh, and all the presents fall out too. Now it's up to them to save Christmas!

Kurt Russell plays Santa Claus, and he's great! He looks different from other Santas because he wears sunglasses and a leather jacket. He sings a song in the film called 'Santa Claus Is Back in Town', and it's really catchy. There are some funny parts in the film, like when Santa steals a car and gets into a police chase. The elves are really cute, and there's an elf who raps. There's a lot of action in the film, and there's a big fight scene with Santa and the bad guy, Belsnickel. The special effects are good, and the reindeer look real.

My favourite part of the film is when Kate and Teddy meet Santa's elves. The elves are very small, and they talk fast and move fast. They make all the toys in Santa's workshop. The elves give Kate and Teddy some magic glitter, and if you throw it in the air and make a wish, it comes true. I would love to have some of that magic glitter!

The Christmas Chronicles is a bit like other Christmas films, but it's also different. I think it's one of the best Christmas films I've seen in a long time. If you like adventure and comedy, I definitely recommend it.
